

FOR EFFECTIVE CRITICISM TO DIFFICULT EMPLOYEES

Delivering timely constructive criticism is a crucial skill for true leaders. Navigating these situations when faced with challenging or difficult team members frames the perceptions of your abilities and accomplishments as a manager. Here are four key factors to embrace for effectively and successfully delivering constructive criticism to difficult employees.

DEFINING DIFFICULT

- Resistant or defensive mindset?
- Lack of motivation?

STARTING THE DISCUSSION

EFFECTIVE DELIVERY

- from team member.
- Be clear on the corrective action that needs to
